“YOU’LL KNOW WE CARE”

I would like to say, “Thank you” to each and everyone at SCH that participated in the aftermath of Hurricane Ike. In this time of crisis we all came together to do what had to be done. Thank you, Mr. Barnes for paying us while being out for the hurricane. This was very generous of you and a first for most of us. Thank you! Thank you dietary for the wonderful meals that you prepared for all employee’s and family that were with out electricity. What a great job you all did. Thank

you. Thank you Mike Nixon for making sure I got water and ice on the day that I was doing payroll and could not get downtown. Thank your guys (EMS) for bringing it to me. We have the best EMS around, not just in a crisis, but in every way. Thank you Sherri for the job you did. You took care of our people so that we could come back to work. Like Sherri said, “It takes all of us, every department, to be a success”, and I am proud to work

With each and everyone of you.
Grace Baty

We would like to thank Mr. Barnes and Crystal for allowing us to stay at the Fountains after we returned from the hurricane. You don’t know how much you appreciate water and power until you don’t have them. Also a big thanks to Mr. Barnes for the hurricane pay.
Glen & Kathey Richard

HERITAGE DEPARTMENT

The Heritage program will soon be under-going a change! Beginning Nov. 1st our name will change to: **SENIOR HORIZONS**. This change comes about due to the non-renewal of the contract with Diamond Healthcare. The non-renewal was a management decision that makes us at the Heritage program very happy and proud. A contest was held within the Heritage department giving the staff the opportunity to re-name our unit. Many names were proposed, but Glenn Richard's name won. Glenn was awarded

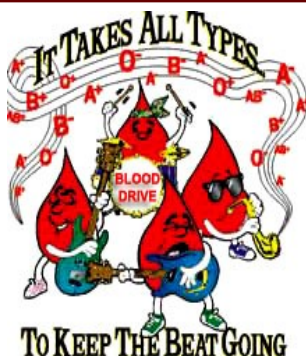

a \$25.00 gift card from Wal-mart. We believe that the name encompasses the essence of what we do by providing the tools to help our patients achieve their new horizons. We are very Blessed to work with such wonderful clients and co-workers within the department and within the hospital.

We will soon be coming to your door for trick or treat, so be prepared on October 29-30.

CARIOPULMONARY DEPARTMENT SPONSORS BLOOD DRIVE

Once again Cardiopulmonary will sponsor a blood drive on November 6, 2008 in the Main Conference Room. Charles wants you to remember "one donation saves up to three lives". So come out and COMMIT FOR LIFE. There will be a sign up sheet posted by the time clock.
